

AMENDED IN ASSEMBLY APRIL 10, 2007

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 223

Introduced by Assembly Member Sharon Runner

January 29, 2007

An act to amend Sections ~~3021, 3103.5, 3103.5~~ and 3110 of the Elections Code, relating to voting.

LEGISLATIVE COUNSEL'S DIGEST

AB 223, as amended, Sharon Runner. Absentee voting: military service.

~~(1) Existing law permits a voter, under specified conditions, to request and obtain physical delivery of an absentee ballot to the voter or the voter's authorized representative after the period to request an absentee ballot has expired.~~

~~This bill would apply these provisions to a person called for military service.~~

~~(2)–~~

(1) Existing law permits a special absentee voter, as defined, who is temporarily living outside of the territorial limits of the United States or the District of Columbia, to return his or her ballot by facsimile transmission.

This bill would apply these provisions to a person called for military service within the United States on or after the final date to make application for an absent voter ballot.

~~(3)–~~

(2) Existing law provides that if a special absentee voter is unable to appear at his or her polling place because of being recalled to military service after the final day for making application for an absent voter's

ballot, but before 5 p.m. on the day before the day of election, he or she may appear before the elections official and make application for an absent voter's ballot.

This bill would revise these provisions to provide that a special absentee voter may appear before the elections official either in his or her county of registration or, *if within the state*, in the county in which he or she is recalled to military service to make application for an absent voter's ballot which may be submitted by facsimile or by e-mail or online transmission to be counted, as specified. By increasing the duties of local elections officials, the bill would impose a state-mandated local program.

~~(4)–~~

(3) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 ~~SECTION 1. Section 3021 of the Elections Code is amended~~
2 ~~to read:~~

33
34 ballot by facsimile transmission I have waived my right to have my ballot kept
35 secret. Nevertheless, I understand that, as with any absent voter, my signature,
36 whether on this oath of voter form or my identification envelope, will be
37 permanently separated from my voted ballot to maintain its secrecy at the
38 outset of the tabulation process and thereafter.

27 (2) Notwithstanding the voter's waiver of the right to a secret
28 ballot, each elections official shall adopt appropriate procedures
29 to protect the secrecy of absentee ballots returned by facsimile
30 transmission.

31 (3) Upon receipt of an absentee ballot returned by facsimile
32 transmission, the elections official shall determine the voter's
33 eligibility to vote by comparing the signature on the return

36 preserved according to procedures set forth in this code.

37 (4) Notwithstanding paragraph (1), a special absentee voter who
38 is permitted to return his or her ballot by facsimile transmission
39 is, nonetheless, encouraged to return his or her ballot by mail or

14 *SEC. 2.* Section 3110 of the Elections Code is amended to read:

15 3110. If a special absentee voter is unable to appear at his or
16 her polling place because of being recalled to service after the final
17 day for making application for an absent voter's ballot, but before
18 5 p.m. on the day before the day of election, he or she may appear
19 before the elections official in the county in which the special
20 absentee voter is registered or, *if within the state*, in the county in
21 which he or she is recalled to service and make application for an
22 absent voter's ballot, which may be submitted by facsimile, or by
23 e-mail or online transmission if the elections official makes the
24 transmission option available. The elections official shall deliver
25 to him or her an absent voter's ballot which may be voted in the
26 elections official's office or voted outside the elections official's
27 office on or before the close of the polls on the day of election and
28 returned as are other absent voter's ballots. To be counted, the
29 ballot must be returned to the elections official's office in person,
30 by facsimile transmission, or by an authorized person on or before
31 the close of the polls on the day of the election. If the special
32 absentee voter appears in the county in which he or she is recalled
33 to service, rather than the county to which he or she is registered,
34 the elections official shall coordinate with the elections official in
35 the county in which the special absentee voter is registered to
36 provide the absentee ballot that contains the appropriate measures
37 and races for the precinct in which the special absentee voter is
38 registered.

2 *SEC. 3.* If the Commission on State Mandates determines that
3 this act contains costs mandated by the state, reimbursement to
4 local agencies and school districts for those costs shall be made
5 pursuant to Part 7 (commencing with Section 17500) of Division
6 4 of Title 2 of the Government Code.
